# This winter, thousands of South Australians, including families with children will have no place to call home.

As the cold sets in for the long, wet winter ahead, nearly a thousand children under the age of 12 are homeless.

AnglicareSA works with Housing SA to provide emergency accommodation to families who have nowhere safe to stay.

**We need your help to continue this work.**

AnglicareSA needs your donation so they can provide them with essentials such as food, medicine, warmth and shelter.

**No South Australian child should feel cold, hungry, or scared this winter. Please donate now.**

## \$15

will buy a child some pyjamas or slippers for an older person.

## \$30

provides enough food to see a family through a cold night.

## \$75

will provide materials for a week of financial counselling.

## \$140

will pay for a lightweight, waterproof swag for someone sleeping rough.
